

## Classic Winter

Art no: A-747

Art no:	A-747
Size:	8 & 11
Materials:	Cow hide leather, Cotton, Thinsulate™
Packaging:	12/60
Standard:	EN420, EN388:2016
Category:	II

EN388:2016

CATEGORY: II

2233X

## Properties

Classic working glove in cow grain leather. Winter lined with a warm Thinsulate™ lining. Sturdy cuff in cotton canvas. Artery protection and knuckle reinforcement in cow grain leather. The durable leather makes the glove last considerably longer compared to traditional leather gloves. Excellent choice for the heavy industry where durability and quality are essential requirements.

## Material information

Sewn in cow grain with upper hand in cotton. Fully lined with Thinsulate®.

## Technical facts: Intermediate design (category II)

For areas of specific risks, i.e. mechanical risks. These products will have been CE type tested against European EN388:2016 test methods and certified by a notified body. The testing is done for abrasion resistance, cut resistance, tear resistance, puncture resistance, extended cut resistance and impact protection. The maximum score for each level are; abrasion 4, cut resistance 5, tear resistance 4, puncture resistance 4, extended cut resistance F (X if not applicable) and impact protection (optional test) P if approved. Evaluate the importance of each of the properties and how it applies to you as a user.
