

Ergo Tec Plus

Art no: ADF-844

Art no:	ADF-844
Size:	6-11
Materials:	Nylon/lycra, nitrile
Packaging:	12/144
Standard:	EN420, EN388:2016
Category:	II

CATEGORY: II

EN388:2016

4121X

Properties

Seamless knitted glove sewn in nylon/lycra and coated in micro foamed nitrile in the palm and over the fingertips. The glove is equipped with nitrile dots in the whole palm to provide extra firm grip and can be used for all types of precision work. The gloves are silicone free, solvent free and leave no fingerprints.

Material information

Sewn in 13 gauge Nylon/lycra thread and coated in micro foamed nitrile in the palm and over the fingertips. 100% water based technology.

Technical facts: Intermediate design (category II)

For areas of specific risks, i.e. mechanical risks. These products will have been CE type tested against European EN388:2016 test methods and certified by a notified body. The testing is done for abrasion resistance, cut resistance, tear resistance, puncture resistance, extended cut resistance and impact protection. The maximum score for each level are; abrasion 4, cut resistance 5, tear resistance 4, puncture resistance 4, extended cut resistance F (X if not applicable) and impact protection (optional) P if approved. Evaluate the importance of each of the properties and how it applies to you as a user.
