Sizes: Mens size

Materials: Cow hide leather, Teddy lining

Package: 6/60

Cow hide

Properties

Black mitten in thick cow hide. Winter lined with a thick teddy lining. Mittens retain the body heat better than finger gloves due to a larger insulating air pocket inside the glove. The glove is perfect for all kinds of outdoor work where keeping warm is more important than fingertip feeling.

Material information

Sewn in cow hide with a teddy lining.

Technical facts: Simple design (category 1)

These gloves are to be used when there is a minimal risk for the user. General requirements for safety gloves are fixed by the CE-standard. The requirements concern purpose, construction, product information, size, chrome contents (max 2 mg Chromium VI per kg) and PH-value, which must be in the range of 3,5 -9,5.
