

Basic Cut 3

Art no: AD-113

Art no:	AD-113
Size:	7-11
Materials:	Jonnyma® fiber, PU
Packaging:	12/144
Standard:	EN420, EN388:2016
Category:	II

CATEGORY: II

EN420

EN388:2016

3343C

Properties

Seamless knitted cut resistant gloves (Level C) in soft and supple Jonnyma® fibre for the highest comfort. PU coated in the palm and up over the fingertips providing a good grip and excellent breathability. The gloves are solvent free and leave no fingerprints.

Material information

The gloves are sewn in Jonnyma®, a polyethylene fiber with very high molecular weight. The gloves are knitted in "13 gauge" machines which means 13 stitches per inch of fabric. The gloves are dipped in PU.

Technical facts: Intermediate design (category II)

For areas of specific risks, i.e. mechanical risks. These products will have been CE type tested against European EN388:2016 test methods and certified by a notified body. The testing is done for abrasion resistance, cut resistance, tear resistance, puncture resistance, extended cut resistance and impact protection. The maximum score for each level are; abrasion 4, cut resistance 5, tear resistance 4, puncture resistance 4, extended cut resistance F (X if not applicable) and impact protection (optional test) P if approved. Evaluate the importance of each of the properties and how it applies to you as a user.
