

ErgoTec

Art no **ADF-877**

Sizes: 7-11
Materials: Nylon/lycra, Nitrile
Package: 12/144

Washable

Silicone free

Chrome free

Oil resistant

Water resistant

13 gauge thread

Dipped in nitrile

Fully dipped

Properties

Seamless knitted glove sewn in nylon/lycra and fully coated in nitrile all the way up to the wrist for added protection and water resistance. The glove provides excellent grip and can be used for all types of precision work. The gloves are silicone free, solvent free and leave no fingerprints.

Material information

The gloves are knitted in "13 gauge" machines which means 13 stitches per inch of fabric. The thread is a nylon/lycra mix. The gloves are dipped in nitrile.

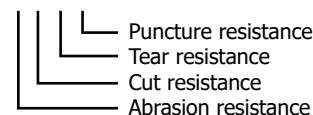

Technical facts: Intermediate design (category 2)

For areas of specific risks, i.e. mechanical risks. These products will have been CE type tested against European EN 388 test methods and certified by a notified body. The testing is done for abrasion, cut, tear and puncture resistance. The maximum score for each level are; abrasion 4, cut resistance 5, tear resistance 4 and puncture resistance 4. Evaluate the importance of each of the properties and how it applies to you as a user.
