

Apus

Art no **AD-19**

Sizes: 7-11
Materials: Polyester, PU
Package: 12/144

Washable

Chromium free

Finger dipped

13 gauge thread

PU dipped

Properties

Seamless knitted polyester glove dipped in black PU in the palm and over the fingertips. The glove is thin but still very durable. The PU provides a very good grip and the glove can be used for all types of precision work.

Material information

The gloves are knitted in "13 gauge" machines which means 13 stitches per inch of fabric. The thread is in polyester fiber. The glove is dipped in polyurethane (PU).

Technical facts: Intermediate design (category II)

For areas of specific risks, i.e. mechanical risks. These products will have been CE type tested against European EN388:2016 test methods and certified by a notified body. The testing is done for abrasion resistance, cut resistance, tear resistance, puncture resistance, extended cut resistance and impact protection. The maximum score for each level are; abrasion 4, cut resistance 5, tear resistance 4, puncture resistance 4, extended cut resistance F (X if not applicable) and impact protection (optional test) P. Evaluate the importance of each of the properties and how it applies to you as a user.
