

Light Winter

Art no: PRV-800

Art no:	PRV-800
Size:	8-11
Materials:	PU, Polyester, Fleece
Packaging:	12/120
Standard:	EN420, EN388:2016
Category:	II

CATEGORY: II

EN420

EN388:2016

1111X

Properties

Assembly winter gloves with a ribbed PU palm. Full index finger and thumb and fingertip reinforcements in PU for increased durability. Double stitching at exposed areas to wear and tear. The upper hand in high-quality, elastic polyester. Piping and details in elastic fluorescent fabric. Fully lined with a warm and comfortable fleece lining. Slip on design with an elastic seam over the wrist for a safer fit.

Material information

The gloves are sewn in ribbed PU, upper hand in spandex and liner in fleece.

Technical facts: Intermediate design (category II)

For areas of specific risks, i.e. mechanical risks. These products will have been CE type tested against European EN388:2016 test methods and certified by a notified body. The testing is done for abrasion resistance, cut resistance, tear resistance, puncture resistance, extended cut resistance and impact protection. The maximum score for each level are; abrasion 4, cut resistance 5, tear resistance 4, puncture resistance 4, extended cut resistance F (X if not applicable) and impact protection (optional test) P if approved. Evaluate the importance of each of the properties and how it applies to you as a user.
