

Flink 50 Vit

Art no. **G-463 C**

Size: 7-12
Material: Goatskin, Cotton
Packaging: 12/120

Goatskin

Properties

Slim fit glove in full-grain goatskin leather with a very thin upper hand in yellow cotton fabric. Model is slim to fit the hand. Thumb is made of cotton for extra breathability. Reinforced fingertips, index finger and little finger to make the glove suitable for light welding. Elastic band around the wrist to secure fit.

Material information

The gloves are made of goat grain leather with the upper hand in 100% cotton.

Technical data

The CE standard EN 420 defines general requirements for protective gloves. This means that this standard sets out general requirements such as: suitability, design, product information, sizes, chromium content (max 2 mg Chromium VI per kg) and pH value in the range of 3.5-9.5
