

Flink 100 Svart

Art no. **G-463 SVA**

Size: 7-11
Material: Goatskin, Cotton
Packaging: 12/120

Goatskin

Properties

Slim fit in full-grain goatskin with an upper hand very thin yellow cotton fabric. Model is a slim but comfortable fit. Thumb is made of leather for extra durability. Fingertips are reinforced as well as the whole index finger and little finger which makes the glove work for light welding. Elastic band around the wrist for a secure fit.

Material information

The gloves are made of goat grain leather with the upper hand in 100% cotton.

Technical data

The CE standard EN 420 defines general requirements for protective gloves. This means that this standard sets out general requirements such as: suitability, design, product information, sizes, chromium content (max 2 mg Chromium VI per kg) and pH value in the range of 3.5-9.5
