

Flink 75 Svart

Art no. **G-463 SVB**

Size: 7-11
Material: Goatskin, Cotton
Packaging: 12/120

Goatskin

Properties

Slim fit in full-grain goatskin with a thin upper hand in yellow cotton fabric. Three quarters of the thumb is made of durable leather. Fingertips, index finger and little finger is also made of leather which makes the glove work for light welding work. Elastic band around the wrist secures the fit of the glove to the hand.

Material information

The gloves are made of goat grain leather with the upper hand in 100% cotton.

Technical data

The CE standard EN 420 defines general requirements for protective gloves. This means that this standard sets out general requirements such as: suitability, design, product information, sizes, chromium content (max 2 mg Chromium VI per kg) and pH value in the range of 3.5-9.5
