Properties

Winterlined outdoor glove with knitted cuff. Upper hand in water repellent soft shell. Fingertip and grip reinforcements in micro fibre with silicon pattern for an increased grip even in wet conditions. Light polyester lining. Double elastic seams around the wrist for a safer fit. Equipped with a knitted wind gaiter to keep cold winds out of the glove and keep the hands warmer.

Material information

The gloves are sewn in soft shell, Micro fibre reinforcements, liner in 100% polyesterfleece, Silicone grip patterns. Knitted nylon cuff.

Technical facts: Intermediate design (category I)

These gloves are to be used when there is a minimal risk for the user. General requirements for safety gloves are fixed by the CE-standard. The requirements concern purpose, construction, product information, size, chrome contents (max 2 mg Chromium VI per kg) and PH-value, which must be in the range of 3,5 -9,5.
